

# CERTIFICATE OF PROJECT COMPLETION

THIS CERTIFIES THAT

*Shivali Muthukumar*

---

has successfully completed an industry-based project as part of her program with Native Engineering, in the field of **Data Analytics**.

During the course of this project, she worked on key areas such as data collection and cleaning, exploratory data analysis (EDA), statistical analysis, and data visualization. She demonstrated strong proficiency in tools and platforms like **Python, SQL, Excel, and Power BI /Tableau**, while applying practical knowledge aligned with real-world analytics and business intelligence standards.

We appreciate her sincere efforts and congratulate her on the successful completion of this project.
